

**MEMBERSHIP  
APPLICATION**

**MEMBERSHIP**

*fotofoto*, a cooperative gallery, was founded in 2003 by a group of Long Island based photographers desiring to promote traditional and experimental photographic processes and visions. It is dedicated to encouraging the artistic development of all photographers. Our mission is to serve both our members and the public by providing a venue for public exhibits, workshops and special events.

*fotofoto* is maintained, operated and financially supported by its membership. Members are entitled to exhibit their work throughout the year, and to reserve gallery space for solo shows. Members are required to actively participate in running the gallery, including working on committee projects.

**PORTFOLIO REVIEW for MEMBERSHIP**

Applicants should present a portfolio of 10 to 14 photographs enclosed in a box-like protective case. (Binders with plastic sleeves holding prints will not be accepted for review.)

The photographs that are presented will be reviewed by members of *fotofoto's* Portfolio Review committee. The images should represent a cohesive body of work, made within the past two years, that highlights your creative vision. The photographs should demonstrate your personal approach to making images, show your expertise in handling a camera and highlight your technical ability in creating fine photographic prints. Your portfolio should also demonstrate your ability to evaluate and edit your own work.

Prints must be unframed but presented in the size and manner in which you would exhibit the work in a gallery. If, for example, you typically mat and frame your photographs for exhibition, then please present your work with mats. (Frames are not required for the portfolio review.) If you exhibit your work in another style, please present the images in a protective box or case, with one piece completed in the style you typically use. Include a written explanation with your portfolio about how you plan to exhibit your work.

DVD's, slides or books of your work are not accepted for portfolio review.

Portfolio reviews usually occur on the last Sunday of each month, with some exceptions. Your portfolio, in a protective case and marked with your name, address, telephone number and email address, can be dropped off at the gallery prior to the date of the review, and can be picked up after the review. Please contact us at [contact@fotofotogallery.org](mailto:contact@fotofotogallery.org) if you would like to schedule a review of your portfolio.
