ABOUT FOTOFOTO GALLERY

fotofoto gallery was formed in 2003 by a group of fine art photographers desiring to create a center where photographic visions could be exchanged. Now in our seventeenth year, fotofoto gallery continues to be a place for the photographic community and students to view a wide range of photographic processes including traditional black and white, digital, experimental and alternative processes. The gallery hosts twelve exhibitions each year and reaches out to the community by providing invitational shows, workshops, salons, and lectures. The gallery is located in the heart of Huntington.
