

Workshop – Tony Monaco
Gold Leaf - One session: 11am to 3pm
October 29, 2022

Workshop
Description:

Workshop – Tony Monaco
Gold Leafing Workshop
(One session: 3 - 4 hours.)

During this workshop, you will learn the art of gold leafing your photographs. Your photos will be printed on transparency film and vellum paper for this process. Each of the mentioned sub-straights will yield a different look and feel to the final image. I will teach you my favorite ways of delivering the most predictable outcomes while keeping it an original one-of-a-kind piece.

These are at the heart of Tony Monaco's work, from abandoned buildings to forgotten cemeteries and city landscapes in small towns across America. While at the same time, his macabre-recognized technique draws the viewer's attention to the fine details of his images. His bold use of color and strong compositional elements, along with mixed media post-processing images, makes his one-of-a-kind images convey the intense beauty and devastation the artist sees in the world around him.

Prerequisite:

Please email me two images you would like to use during the gold leafing workshop; both black & white and color images will work well. By doing so, you acknowledge that I may need to tweak and crop your photograph in preparation for the gold leafing. All digital images must be in my email box no later than five days before the workshop; otherwise, I will have some of my pictures for you to use

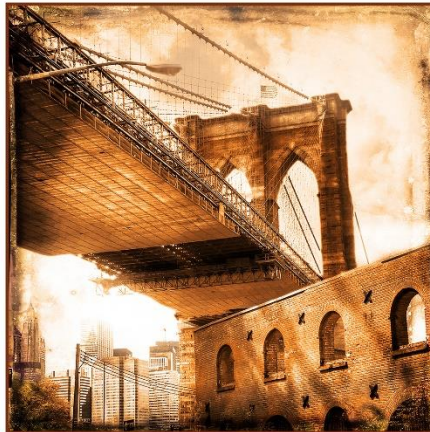

Location: fotofoto Gallery 14 West Carver Street, Huntington, NY

Dates – One Session Saturday, October 29, 2022, from 11 am to 3 pm

Fees: Space is limited to twelve participants. \$75.00 Workshop

Registration: <https://www.eventbrite.com/e/390495531647>

Email: tmonaco@barbizon63.com

Health Protocol

All CDC COVID-19 health guidelines will be followed during the workshop.

Attendee's must show proof of a COVID-19 vaccination, and wear a mask while indoors.
